

## SCC SMARTBAR™ #CC5000

The SCC SmartBar™ is the most versatile loadlock on the market.

- Easier to use, easier to store
- Up to 20% more holding power than standard loadlocks
- Adjusts Continuously from 48" to 108".
- Higher leverage & flexible feet provide superior holding power
- Square -vs- round tubing provides a stronger bar
- Vinyl coated lever provides smooth, positive operation.
- Closed bar locking tab is easily unlocked with convenient thumb release
