Grote-Select™ 4" LED Stop/Tail/Turn Lamp

Product Information Sheet

New optic design provides cost effective solution with popular aftermarket termination style.

Product Features and Benefits:

- Longer life than incandescent lamps
- Faster light-on response time, for safety, provides increased stopping alert distance than incandescent lamps
- Less current draw than standard incandescent lamps for increased fuel efficiency, more voltage available to other vehicle systems
- Uses existing pigtailed and wiring for cost effective retrofit
- Use with Grote pigtail for an extra year warranty
- Similar look to incandescent light alleviates theft concerns
- Hermetic lens to housing seal prevents moisture intrusion
